

# Youth Ministry ★at Peace★

«» **Middle School** «» **High School** «» **College** «»

Peace has an awesome ministry for young people which is rooted in relevant Biblical teaching and is powered by caring adult leaders. It's an incredibly busy and exciting ministry and one that's met with the awesome reward of seeing young people think critically about their faith, and grow closer to Christ as a result.

What's next on the youth calendar, and ways to get plugged in (to try to keep up with teens' schedules), is constantly changing!! For what we're up to at the moment, or any questions that you might have about the youth ministry, feel free to contact me directly.

## « **Middle School Ministry** »

### **Sunday School -**

Sundays during the school year we offer 6<sup>th</sup> through 8<sup>th</sup> graders the chance to “grapple” with relevant issues and dig into God’s word with their peers!

### **Fellowship Events, Service Events and Retreats -**

Once a month we get the 6<sup>th</sup> - 8<sup>th</sup> graders together to simply have fun or to serve others. Our winter retreat is an event that no one wants to miss!

### **Confirmation -**

In 7<sup>th</sup> and 8<sup>th</sup> grade, students get to participate in our reinvented confirmation program. We still cover the basics of Lutheran theology, but we do so with a focus on building a relationship with God at the forefront! Small groups, interactive lessons and game nights make it something that kids actually look forward to every week!

### Monthly Events -

Similar to the middle school ministry, but taken to the next level, we get the older youth together on a monthly basis to serve and hang out! We also have high school appropriate retreats that are incredibly meaningful and incredibly fun!

### Sunday Mornings -

Honest conversations about student-chosen topics occur every Sunday, as we apply the Bible to teen issues in fun and engaging ways!

### Small Groups -

On weeknights during the school year we have 4-6 small groups that meet to study God's word and encourage each other's faith!

### Workcamp -

Every summer we take a group of 40-50 kids somewhere in the US for a week of home repair-based missions. The week is filled with worship, devotions, making new friends, and a fun side trip as well!

## « *College Ministry* »

Our college ministry looks different every year, but we try and get college-aged folks together for fellowship, service, and Bible study. We offer this each summer and when they're home over breaks!
